

Audrey Loux

Web Designer/Front-End Developer

13616 Hartsbourne Dr., Germantown, MD | 334.740.0694 | audrey.loux@gmail.com | www.audreyloux.com

PROFILE

Enthusiastic team-player with a positive, proactive attitude, excellent time management skills, and a strong eye for design. Over 10 years of experience designing and developing pixel-perfect websites in a variety of industries including travel and tourism, real estate, faith-based organizations, and professional services. A quick learner who thrives in a fast-paced, production-oriented environment. Well-versed in all phases of the web process, from the creation of initial concepts, to the development of mockups into functional interfaces, to the launching of the final product and ongoing maintenance.

SKILLS

HTML5, CSS/SCSS, jQuery, working knowledge of PHP
Responsive Frameworks (Bootstrap, Foundation)
Content Management Systems (WordPress, concrete5, Joomla)
Version Control Systems (GitHub, Subversion)
Wireframing Tools (Axure RP, Balsamiq)

Adobe Creative Suite
Cross Browser Development
Google Analytics & Tag Manager
Multitouch TV Presentations
